

PH300 SPECIFICATION

A specialist high performance multi-laminate single skin cover for the protection of pharmaceutical temperature sensitive freight

- Qualified performance
- Global availability
- Quick and easy to fit

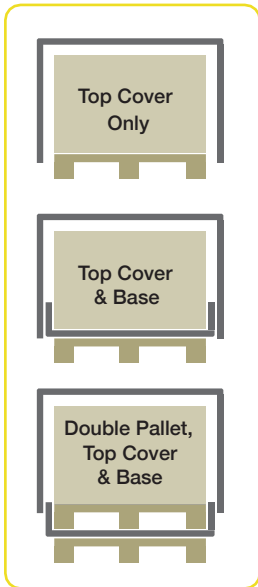

Five Layers of Foil, Insulation & Bonding

166g/m²

Configurations

Description	A robust, high performance specialist multi layer laminate with reflective metal foil outer skin and non-woven insulation
Uses	<ul style="list-style-type: none"> - Sunlight reflection - Insulation against hot & cold ambient - Reducing exposure to temperature spikes
Sizes	Pre-Formed All main pallet footprint & heights available, please ask
Durability	Primarily single use trip / unless return logistics feasible
Thickness	0.30mm +/- 10%
Weight	166g/m ² +/- 10%
Waterproof	Yes
Reflectivity	Over 97% (ASTM E 408)

Key Features

Reduce Temperature Exchange

High Reflective Performance

Freeze Protection

Water Resistant

Security/Theft Protection
